LUTHERAN HERITAGE FOUNDATION

Indonesia has the world's largest population of Muslims. Yet, the people pride themselves in diversity and even allow their public schools to teach about other religions.

What an incredible opportunity God has placed before us! With our mission offerings, Christian teachers in Indonesia can give their students their very own Bible storybooks, *Small Catechisms* and workbooks, translated into the languages they speak. The books are theirs to take home and keep.

We can help –
for just $5 per child!

The Lutheran Heritage Foundation (LHF) is an LCMS recognized service organization that translates and publishes our good Lutheran books for people around the world. For every $5 our children send to LHF, the organization can give a Bible storybook or catechism to a waiting family in Indonesia.

Our goal is 100 books.*
We have raised enough funds to purchase 68 books thus far.

Celebrating birthdays this month: Tucker Ervans on March 2, Jacquelyn Stanford on the 8th, and Madelyn Menz on the 31st.
