So you are ready to help send kids to grow in faith at Camp Concordia?

While it is our goal that fees from summer camp sessions, family camps and retreat rentals generate enough income to cover program costs, the reality is that Camp Concordia needs contributors to support campers who otherwise could not come to camp and to provide revenue for additional site improvements and repairs.

Camp Concordia is a non-profit 501(c)3 organization and it depends on gifts from generous donors to support staff growth, develop innovative programs and improve facilities.

Camp Concordia is a recognized service organization of the LCMS.

## Calling VL Class of 2025!

Is there a future Charger (current 8th grader) in your family? Or do you know of someone who is interested in joining us at Valley for next year? We are currently taking applications for the Class of 2025 and are completing course selection meetings with newly enrolled families. We'd love to get you and those you know who are interested in Valley "in"! Please head here (link to <https://www.vlhs.com/admissions/application-process/>) to get your initial paperwork or contact Admissions Counselor Amy Cooper ([acooper@vlhs.com](mailto:acooper@vlhs.com), 989-790-1676, ext. 40) with any questions.

## Global Awareness Collecting Fleece Donations

The VLHS Global Awareness Club is beginning a new project after Spring Break: making fleece blankets for area pregnancy centers and women's shelters. We are in need of donations of fleece that we can use to accomplish this. If you are able and willing, please consider a donation of clean, new fleece to the Global Awareness Club. All designs welcome, but there is a particular **need for solid colors for the blanket backings**. Pieces need to be standard 54"-60" wide by 1.5 yards. Donations can be dropped off in the school office or given to Mr. Patrick Winningham. Please direct any questions to [pwinningham@vlhs.com](mailto:pwinningham@vlhs.com). Thank you!

## Summer Camps Returning

Yes, Valley is planning to hold our typical summer camp program for middle school students this summer! Protocols will be updated as summer draws nearer, but we invite you to head to [www.vlhs.com/camps](http://www.vlhs.com/camps) on April 12 or after to check out this year's offerings.
