Hymn Verse for the Week

Take My Life and Let It Be
LSB 784 Stanza 2

Take my hands and let them move
At the impulse of Thy love;
Take my feet and let them be
Swift and beautiful for Thee,
Swift and beautiful for Thee.

"Hearts for Jesus"

Garuna Christian Schools

The Garuna Foundation has established a system of Christian tutoring schools in the country of Cambodia. At present, seven (7) schools form the Garuna Christian School (GCS) system, serving more than 1,200 students in grades K-6. The goal of the school system is to provide a daily, year-round opportunity for children to learn about Jesus, while also studying Khmer (Cambodian) reading/writing, Math, and basic English. These schools are in communities where only 2% of the population are Christians and most have little or no knowledge of Jesus.

Garuna helps support the Cambodia Lutheran Church (CLC) by encouraging church plants and Bible studies at the school sites. The Garuna Christian Schools are built next to an existing Lutheran congregation or designed to be a new church planting site. The schools are built with movable walls to allow for outreach activities for the community, such as Sunday Schools, Youth soccer teams, holiday events, TESL classes and more. In this way, the entire community can enjoy the blessings of an excellent education in a Christian school while learning of the love of Christ.

Reminder from the School Handbook:

Student Illness

Children who have had a fever, sore throat, bad cold or cough, rash, unusual fatigue/irritability, or flu symptoms including vomiting and diarrhea in the past 72 hours must be kept home. In this way the child can get the extra loving care only a caregiver can provide during an illness. Please call the school office if your child will be absent. Any communicable disease such as Covid-19, strep, influenza, chickenpox, scarlet fever, pink eye, head lice, scabies, etc. should be reported to the office immediately so that other parents can be notified.

These rules are for the protection of all the children in the class. Small children are very susceptible to communicable diseases. With everyone's cooperation, the disease rate can be kept to a minimum. Parents will be notified if illness occurs at school starting in order of persons listed on the back of the white emergency card.

Share Encouragement With A Flower This Week

Flowers are still available this week.

Flowers are provided from the local business of Flowers From the Heart in Auburn. Flowers are \$2 each and students can purchase them by turning in money to their teacher each morning. We provide a slip so they can write who the flower is to, from whom, and a message.

This project is part of our service week helping out local businesses and loving thy neighbor. This is not a fundraiser for the school just simply helping out a local business.

February Collection Focus **Orphan Grain Train**

Valley students' focus this month for the Orphan Grain Train is collecting bedding, towels, and blankets. Items can be new, gently used but must be in good condition. Thank you for supporting.
