Welcome,

March 8, 2023

Registration for the 2023/24 school year is open. We thank you for your interest in attending Zion Lutheran Church and School. Below is some basic information concerning cost and steps to register.

The yearly rates for the 2023/24 school year are \$350 for registration and \$1530 for tuition. Our congregation has always been willing to support the institution of the Christian Day School so children may benefit from a sound Christian education. The cost of education in our school is around \$6610 per child per year. Currently Zion's congregation is contributing 77% of this cost. Our congregation's mission is to continue to support the majority of these costs but will be decreasing the amount annually with a goal of 70% by 2026. If you are interested in setting up a school visit please contact the office.

Bay City Public Schools Bus Transportation is available to students at Zion Lutheran School. We can help get you in contact with the Bus Barn to set up transportation if needed.

A few highlights for you to know for the school year...

- School starts at 8:00am; doors will be open at 7:40am for students to enter the school building.
